Product relationship	Exclusively formulated and produced for META LTD, Lithuania.

ISO 22000	HACCP	HALAL	FSSC 22000	BRCGS

8. FACTORY CERTIFICATE REVIEW

The original signed and stamped factory Certificate of Analysis for BE ICED Black Coffee (sample order SO1, report date 20 February 2025) was reviewed as the supporting source. It identifies Vietnam as the country of origin, aluminium-can packaging in 250 ml and 330 ml formats, dry and cool storage away from direct sunlight, an 18-month shelf life, and conforming organoleptic, microbiological and heavy-metal checks. This redesigned website edition does not replace the original factory certificate.

9. STORAGE, USE AND LABEL INFORMATION

Store in a dry, cool place away from direct sunlight. Factory-declared shelf life: 18 months. Once opened, keep refrigerated and consume promptly. Serve chilled.

10. LABORATORY COMPLIANCE STATEMENT

We certify that the referenced batch was reviewed against the declared formulation, product specification and supplied laboratory documentation and was found compliant with the stated physical, chemical and microbiological requirements. This European website edition is intended for product information and commercial presentation.
